NORTHSTAR LABS / PROJECT BRIEF

Customer education hub

A focused eight-week engagement to make product expertise available on demand.

CLIENT	LEAD	TIMELINE	BUDGET
Northstar Labs	Avery Chen	8 weeks · Jan–Mar	$48,000

THE OUTCOME

A launch-ready learning hub that takes a new customer from sign-up to first value in under 15 minutes, with a clear baseline for measuring adoption.

WHAT WE WILL DO

- Run discovery interviews and audit the existing content.
- Design the information architecture and reusable page templates.
- Produce 12 core learning paths (40–60 articles) with consistent structure.
- Instrument every path and hand over an editorial system the team can run.

THE PLAN

WEEK	MILESTONE
1	Discovery notes and content inventory
2–3	Approved sitemap and page templates
4–6	First six learning paths in review
7	Analytics live in staging
8	Handover, QA and go-live

NEXT STEP

Approve the timeline and book the kickoff workshop. We will confirm the sponsor and subject-matter experts within two business days.
